MARINE SURVEYORS AND CONSULTANTS

Press Release

Sabine Surveyors, LTD. purchases industry leading heavy lift and cargo projects company, World Marine Associates.

January 28, 2010: Sabine Surveyors, Ltd. has recently purchased industry leading marine surveying company World Marine Associates, headquartered in Houston, Texas. Sabine Surveyors, Ltd. is a regional marine surveying company serving the Gulf Coast and East Coast of the United States and is dedicated to providing the highest quality service to a worldwide client base of commercial vessel operators, underwriters, banks and cargo shippers. Sabine Surveyors, Ltd has been offering marine expertise to their growing clientele for over forty years. Michael Martin, Senior V.P. said; “the purchase of World Marine Associates will significantly increase our current presence in the heavy lift and project cargo market within the United States.”

World Marine Associates has been a leading marine surveying company since 1973, specializing in cargo surveys, heavy lifts, project cargoes, consultancy, and stowage and securing surveys. This purchase is a much anticipated step forward in Sabine Surveyors, Ltd. overall business plan to become the single-source marine surveyors in the United States. “Our cumulative knowledge and experience will give our clients a full service facility to accommodate their increasing demands and maximize our company’s potential and growth”.
